The written statements of the defendant no. 1 to 4, 6 & 10 are visible on record. The counsel for the plaintiff states that these written statements were filed in a belated manner and thus should not form part of the record, particularly when no condonation of delay application was filed alongside or thereafter. She states that she would move an appropriate application to take these written statements off the record.

The counsel for the defendant no. 11 states that she had filed her written statement, vide diary no. 199399/2018. This written statement is under objections since 08.08.2018. The same is thus taken off the record since the objections have not been removed for last more than six years.

The suit has already been decreed as settled qua the defendant

no. 7 to 9.

List the matter for further proceedings on **25.11.2024**.
