ORDER

% **02.05.2024**

Matter is at the stage of admission / denial.

As per order Dated 09.02.2023, some documents were filed on behalf of defendant no. 1 to 6. However, learned counsel for plaintiff raised objection that the said documents are not the scanned copy of original documents but are typed copy of some documents and further, that these documents are not filed with the written statement or along with the affidavit of admission / denial.

At this, learned counsel for defendant no. 1 to 6 stated that she will file the scanned copy of original documents with advance copy to learned opposite counsel within two weeks. Therefore, put up for clarification regarding filing of the aforesaid documents after the filing of written statement and for consideration regarding the objection raised by learned counsel for plaintiff in this respect.

Put up for completion of pleadings / admission / denial of the documents on 16.07.2024.
