CM No. 21153/2019 (for release of amount)

This application by the injured-victim of a motor accident seeks release of the awarded amount. The injury happened on 15.07.2011 and till date no compensation has been given to him.

The appellant has sought recovery rights against the owner and driver of the offending vehicle. Insofar as this appeal seeks no relief against the beneficiary of the Award, there is no justification in depriving the injured-victim of the awarded amount.

In the circumstances, let the awarded amount alongwith interest accrued thereon be released to the applicant/injured-victim in terms of the scheme of disbursement specified in the Award.

The application stands disposed-off in the above terms.
