This case is fixed before this court for completion of pleadings. The record shows that earlier pleadings were complete. In the order dated 20.02.2017 also, this fact has been recorded. After that, admission/denial of documents was carried out by order dated 17.05.2017. The plaintiff then filed an application for amendment of plaint bearing IA No.6957/2017. It was allowed by order dated 06.03.2018. The defendant was permitted to file amended written statement within four weeks from 06.03.2018. The amended written statement has not been filed so far. Adequate time has already been granted but amended written statement has not been filed. In view thereof, I do not deem it fit to grant any further opportunity for filing of amended written statement. The written statement originally filed by the defendant shall be treated as the written statement to the amended plaint.

Learned counsel for plaintiff submits that the plaintiff does not wish to file any further replication and the one previously filed by the plaintiff

may be treated as replication to the written statement. That being so, pleadings are complete.

Parties are at liberty to file fresh affidavits of admission/denial of documents conforming to Rules 3 and 7 of Chapter VII of Delhi High Court (Original Side) Rules, 2018 within two weeks from today.

List on **09.09.2022**.
