Crl. M.B. No. 873/2018

The appellant seeks interim suspension of sentence on account of the serious illness of his father. The facts stated in the application have been verified by the State. The status report tendered in court is taken on record. The certificate issued by Dr. Manish Gupta at JP Hospital has been annexed with the status report. The same has been perused.

The appellant is convicted u/s 120B read with section 506 Part II and 170 IPC and sentenced to undergo rigorous imprisonment for four years and two years respectively for the said offence. He has also been subjected to fine of Rs.1.10 lakhs, which stands deposited.

We may observe that the appeal preferred by the State to seek the conviction of the appellant u/s 364A is pending consideration. The nominal roll on record dated 28.11.2017 shows that there are no other cases in which he was involved and his conduct was found to be satisfactory.

Learned counsel submits that during the trial, the appellant was on bail and he is not reported to have misused the same.

Considering these circumstances, we are inclined to grant interim suspension of sentence for a period of two weeks from the date of his release. During which period, the appellant shall remain on interim bail subject to:

- (i) The appellant furnishing personal bond with one surety in the sum of Rs.25,000/- to the satisfaction of the Trial Court;
- (ii) The appellant shall provide his mobile phone number to the Trial Court, which shall be kept in working condition at all times and the same shall not be changed without prior intimation to the Trial Court;
- (iii) The appellant shall not contact the victim or any of the witnesses or tamper with the evidence in the matter.
- (iv) He shall not indulge in any criminal activity during this period.
- (v) He shall duly surrender at the end of the suspension period.
