09.10.2018

1. This petition is a part of a batch of petitions challenging the notifications dated 07.09.2018 proscribing certain Fixed Drug Combinations (FDCs) under Section 26A of the Drugs and Cosmetics Act, 1940. Since some of the issues involved in these matters are common and interim orders have been passed in various matters, this Court considers it apposite to pass *ad interim* orders to the same effect. It is, accordingly, directed that subject to the manufacturers ceasing manufacture of the said FDCs that have been prohibited under the impugned notification, the parties are permitted to sell the drugs which are already in the distribution channels.

2. It is further clarified that this order is subject to the parties furnishing the stocks available with them within a maximum period of two days from

today.

3. List for arguments on 22.10.2018.
4. *Dasti* under the signature of the Court Master.
