

EC-Council

Dear Member,

Congratulations on achieving the CEH certification!

EC-Council proudly welcomes you as our certified member.

By passing the required certification exam, you have joined an elite team of professionals globally who have demonstrated their technical competency in the relevant subject matter.

1. In recognition of your accomplishment, we are proud to award you this CEH certificate. We encourage you to display this as a symbol of your hard work and as proof of your technical competence. Feel free to include the CEH logo on your business card or resume to demonstrate your competency. You can download the logo and the badge image [available from your ANPTLN account](#).

2. We are also proud to inform you that CEH training course has been recognized by the National Security Agency (NSA) and the Committee on National Security Systems (CNSS) for meeting the CNSS 4013A (System Administrators) training standards for information security professionals in the federal government. By achieving the CEH certification, you have successfully demonstrated proficient knowledge and skills outlined in the aforementioned standards.

3. You are now eligible to request up to a maximum of 6 credit exemptions from a total of 36 credits to attain the Master of Security Science from EC-Council's fully online University. EC-Council University, Professional Industry certifications such as the one you received will be reviewed for credit consideration, and if awarded, will transfer in as one elective credit per certification, not to exceed a total of 6 credits. Please visit <http://www.eccouncils.com> home page and download the university catalog for more details.

4. As a respected and credible certification body, EC-Council maintains a continuing education program called the EC-Council Continuing Education (ECE) program. Members holding our professional certifications are expected to maintain the validity of their certification by meeting credit requirements yearly. For more details, please visit <https://cert.eccouncil.org/ece-policy.html>.

5. Any future information will be sent to you via the email contact address you provided at the time of your exams. It is important that we remain in contact with you to keep you engaged with the latest updates and developments in the Information Security field.

We hope you will enjoy the rewards of certification for many years to come. We strongly encourage all members to stay on top of current and future technology developments and look forward to working with you again.

Congratulations on your achievement and best wishes for your continued success.

Sincerely,

EC-Council
