ORDER

27.02.2026

Heard Shri A.R. Bhuyan, learned counsel for the petitioners. Also heard Shri H. Sarma, learned State Counsel and Ms. G. Hazarika, learned Standing Counsel, Revenue Department.

2. The petitioners, who are 222 in numbers, are aggrieved by the notices dated 12.01.2026 and 13.01.2026 whereby they have been directed to vacate the land under their possession. It is projected that the petitioners landless and erosion affected persons who are continuous possession of the said land situated in village Uzanmari under Kampur Revenue Circle, Nagaon from a long period of time. It is contended that the petitioners have electricity connection, ration cards etc. and also been given benefits of Government Scheme like PMAY, MGNREGA etc. It is also contended that as per the Land Policy, 2019 of the State, the petitioners are entitled for settlement of land. However, instead of considering the aspect of settlement of land in favour of the petitioners, the impugned notices dated 12.01.2026 and 13.01.2026 have been issued.

3. Shri Bhuyan, learned counsel for the petitioners has submitted that by virtue of being in possession of the land in question for a long period of time, a right has accrued to the petitioners to get settlement as per the Land Policy, 2019. He has also relied on a decision of the Hon'ble Supreme Court reported in 2024 SCC OnLine SC 3291 [***In Re: Directions in the matter of demolition of structure judgment***].

4. Shri Sarma, learned State Counsel has, on the other hand, submitted that the area in question is grazing land and therefore, the same is required to be made encroachment free on a priority basis. He has also submitted that no indefensible right accrues on a person for allotment of land and in any case,

PGR land cannot be settled. In this connection, he has relied upon the case of **Jagpal Singh & Ors. Vs. State of Punjab & Ors.**, reported in **(2011) 11 SCC 396** in which the Hon'ble Supreme Court has clearly laid down that the VGR / PGR land is community land which cannot be allotted and should be made encroachment free.

5. Ms. Hazarika, learned Standing Counsel, Revenue Department, Assam, has disputed the factual proposition portrayed by the petitioners and has endorsed the submissions of the learned State Counsel.

6. The Hon'ble Supreme Court in the aforesaid case of **Jagpal Singh & Ors.** (*supra*), has made the following observations:

“23. Before parting with this case we give directions to all the State Governments in the country that they should prepare schemes for eviction of illegal/unauthorised occupants of the Gram Sabha/Gram Panchayat/ poramboke/shamlat land and these must be restored to the Gram Sabha/Gram Panchayat for the common use of villagers of the village. For this purpose the Chief Secretaries of all State Governments/Union Territories in India are directed to do the needful, taking the help of other senior officers of the Governments. The said scheme should provide for the speedy eviction of such illegal occupant, after giving him a show-cause notice and a brief hearing. Long duration of such illegal occupation or huge expenditure in making constructions thereon or political connections must not be treated as a justification for condoning this illegal act or for regularising the illegal possession. Regularisation should only be permitted in exceptional cases e.g. where lease has been granted under some government notification to landless labourers or

members of the Scheduled Castes/Scheduled Tribes, or where there is already a school, dispensary or other public utility on the land."

7. In view of the categorial direction of the Hon'ble Supreme Court laid down in respect of PGR/ VGR land, this Court is of the opinion that no relief can be granted to the petitioners. The case of ***In Re: Directions in the matter of demolition of structure judgment*** (supra) relied upon by the petitioners is clearly distinguishable on facts as the same relates to the demolition of houses of accused / undertrials / convicts whereas the instant case is concerning a larger public interest of making VGR / PGR free from encroachment.

8. The Assam Land and Revenue Regulation, 1886 along with the Rules framed thereunder has clearly laid down the provisions for making PGR / Khas land free from encroachment by carrying out eviction. The said issue has been dealt with by a Division Bench of this Court in the case of ***Md.Salak Uddin Vs. State of Assam*** reported in ***2024 (4) GLT 857*** wherein the following observations have been made:

63. We further find it very pertinent herein to observe that taking into account Rule 18 of the Settlement Rules which deals with all kinds of lands post 1997 Amendment, the bonafide claim of right involved may be different in all such cases. In the case of Government khas land or waste land, an occupant/possessor may have a bonafide claim of right involved to claim settlement over the land on the basis of the Settlement Rules and extant Land Policy of the Government of Assam. In respect to other lands i.e. lands previously reserved for roads or roadside lands, or for grazing of village cattle or for other public purposes or the occupant had entered into possession of land from which he has been excluded by general or special

order such lands are outside the purview of settlement. There is a complete bar in respect to granting settlements pertaining to lands reserved for roads or roadside lands or for grazing of village cattle. As regards land previously reserved for public purposes, it is outside the scheme of granting settlement. Under such circumstances, the question arises as to whether there is a requirement of issuance of any notice for adjudging as to whether there is a bonafide claim of right involved. In our opinion there might be various situations wherein there may be question of disputes pertaining to the boundary or there may be disputes pertaining to reservations or dereservation for grazing of village cattle or for that matter, there may be a dispute that the persons who have been granted the settlement in respect of a land even prior to being previously reserved for public purposes. The above examples are illustrative and there might be varied circumstances depending on situational variations. Under such circumstances, issuance of a notice in the opinion of this Court to form the subjective satisfaction would be inconsonance with the principles of natural justice and just fair, transparent procedure which are facets of Article 14, 19 and 21 of the Constitution.”
