BEFORE
HONOURABLE MR. JUSTICE ACHINTYA MALLA BUJOR BARUA

O R D E R

18.11.2020

WP(C) No.1547/2020

WP(C) No.1549/2020

Mr. G Uddin, learned counsel for the petitioners contends that as the name of the petitioners were not included in the final list of candidates who were allowed to participate in the selection process, the petitioners approached this Court and there was an interim order in their favour that the petitioners be allowed to participate in the selection process. Accordingly, the petitioners participated in the selection process. But in the final select list that was declared, the names did not appear and there is an apprehension that the result of the petitioners were not declared by the respondent authorities.

Mr. BD Das, learned senior counsel for the respondents states that there is a possibility that the petitioners may not have met some of the eligibility criteria more particularly, 05(five) years experience and therefore, their names were not reflected. Mr. Das, learned senior counsel further contends that the grievance of the petitioners can be redressed, if the

petitioners inspect the payment vouchers/account records in the respective offices, where the petitioner had worked to find out whether she had worked for more than five years or not.

The petitioners may make their application for inspection of the records of the payment vouchers/account records in the office where she had worked and from where she had received the payment. On such application being made, the respective officers of the respondents, who may be the custodian of such records, shall allow the petitioners to inspect the relevant records. After verifying the records, the petitioners may retain a photocopy of the records to establish that they had worked for more than five years.

The required application as indicated above be filed before the respective offices within a period of 05(five) days from today.

WP(C) No.2688/2020

Mr. ABT Haque, learned senior counsel for the petitioner raises the contention that although an eligibility criteria of having 05(five) years experience was made applicable, some of the selected candidates do not have the requisite experience.

The respondents may produce the records pertaining to the selected candidates as regards their experience of 05(five) years for inspection of the petitioner. The records be made available in the office of the Chief General Manager (HR) and the petitioner, who desires to inspect such record shall make an application explaining desire and the Chief General Manager (HR) shall allow the inspection of the concerned records. The application and inspection be done within five days.

WP(C) No.2709/2020

Mr. M Bhagabati, learned counsel for the petitioners states that the petitioners intended to participate in the selection process for the post of Sahayak and there was an interim order allowing them to participate. But the admit cards issued to the petitioners were in respect of another post namely Office cum Field Assistant and the petitioners participated in the selection process with protest.

Mr. BD Das, learned senior counsel for the respondents states that in the circumstances, the petitioners may submit a representation before the Chief General Manager (HR),

Guwahati specifically raising the grievance stated before the Court and the General Manager will look into the matter and pass appropriate orders giving appropriate relief to the petitioner.

Further, Mr. M Bhagabati, learned counsel for the petitioners by referring to the advertisement points out that there was no requirement of any payment vouchers/accounts record being provided by the applicants along with the application forms, but at the time of selection the respondent authorities insisted upon the production of the payment vouchers.

Mr. BD Das, learned senior counsel for the respondents contends that without the payment vouchers/accounts record the entire reliance of the respondents would have to be based upon the experience certificates that were issued in favour of the applicants, which the authorities are not sure as to whether any certificate which may not be genuine, may also be included. In order to mitigate the situation, the authorities made a requirement of the payment vouchers/accounts record, meaning thereby if any such applicant was earlier working for the respondents, the vouchers that was issued to them while paying their salary or remuneration etc. be also produced, so as to enable the respondents to verify that they had actually worked for the respondents.

Mr. M Bhagabati, learned counsel for the petitioners in reply states that all the petitioners may not have retained the payment vouchers/account records that were issued to them and therefore, may not be in a position to produce the same.

In principle, we do not find any infirmity in the requirement of the respondents to produce the payment vouchers/account records, but the grievance of the petitioners that some of them may not have retained the payment vouchers/account records would have to be addressed. For the purpose, we are of the view that the respective petitioners, who could not produce their payment vouchers/account records shall make an application along with the writ petition number before the respondent authorities stating the period for which they had worked and also the period of the original records containing the counter foil of the payment vouchers/account records from which they were earlier paid meaning thereby the month and year of the payment vouchers/account records that they may likely to rely upon. Upon such information being provided, the respondents shall allow the petitioner to inspect the payment vouchers/account records containing the counter foil. If the petitioners find that any payment

vouchers/account records relates to them, they may retain the copy of the same and produce it later on to establish that they were in receipt of the payment vouchers/account records.

It is stated by Mr. BD Das, learned senior counsel for the respondents that the payment vouchers/account records are available in different offices of the respondents in various places, where the respective petitioners may have worked.

As the petitioners had worked in different places, they may make their application for inspection of the records of the payment vouchers/account records in the offices where they had worked and from where they had received the payment. On such application being made, the respective officers of the respondents, who may be the custodian of such records, shall allow the petitioners to inspect the relevant records.

The required application as indicated above be filed before the respective offices within a period of 05(five) days from today.

WP(C) No.1789/2020

Mr. G Uddin, learned counsel for the petitioners raises a claim that although there was an order of this Court allowing the petitioners to participate in the selection process for the post of Sahayak and Office cum Field Assistant, respectively, but the respondent authorities had not allowed the petitioners to participate in the selection process.

The petitioners to submit an application raising the aforesaid grievance before the Chief General Manager (HR) within a period of 05(five) days from today and within another period of five days, the Chief General Manager (HR), Guwahati shall pass appropriate orders.

WP(C) No.2602/2020

Mr. Mr. MK Hussain, learned counsel for the petitioners states that although the selection process was assailed in this writ petition, the petitioner does not want to pursue with the same. But as regards the prayer for regularization, the petitioners would like to pursue the same.

The order would be passed subsequently on the next date fixed.

WP(C) No.1574/2020

Mr. PK Borah, learned counsel for the petitioners states that although the petitioners name appeared in the provisional select list, but they were not called for the documents verification.

The petitioners to submit an application before the Chief General Manager (HR), Guwahati raising the said grievance and the Chief General Manager shall pass appropriate orders based on the record. If the petitioners were actually selected and were not called for the documents verification, they be given the opportunity to produce their respective documents and thereafter a reasoned order be passed.

WP(C) No.1917/2020

Mr. A Gogoi, learned counsel for the petitioners by referring to the advertisement points out that there was no requirement of any payment vouchers/accounts record being provided by the applicants along with the application forms, but at the time of selection the respondent authorities insisted upon the production of the payment vouchers.

Mr. BD Das, learned senior counsel for the respondents contends that without the payment vouchers/accounts record the entire reliance of the respondents would have to be based upon the experience certificates that were issued in favour of the applicants, which the authorities are not sure as to whether any certificate which may not be genuine, may also be included. In order to mitigate the situation, the authorities made a requirement of the payment vouchers/accounts record, meaning thereby if any such applicant was earlier working for the respondents, the vouchers that was issued to them while paying their salary or remuneration etc. be also produced, so as to enable the respondents to verify that they had actually worked for the respondents.

Mr. A Gogoi, learned counsel for the petitioners in reply states that all the petitioners may not have retained the payment vouchers/account records that were issued to them and therefore, may not be in a position to produce the same.

In principle, we do not find any infirmity in the requirement of the respondents to produce the payment vouchers/account records, but the grievance of the petitioners that some of them may not have retained the payment vouchers/account records would have to be addressed. For the purpose, we are of the view that the respective petitioners, who could not produce their payment vouchers/account records shall make an application along with the writ petition number before the respondent authorities stating the period for which they had worked and also the period of the original records containing the counter foil of the payment vouchers/account records from which they were earlier paid meaning thereby the month and year of the payment vouchers/account records that they may likely to rely upon. Upon such information being provided, the respondents shall allow the petitioner to inspect the payment vouchers/account records containing the counter foil. If the petitioners find that any payment vouchers/account records relates to them, they may retain the copy of the same and produce it later on to establish that they were in receipt of the payment vouchers/account records.

It is stated by Mr. BD Das, learned senior counsel for the respondents that the payment vouchers/account records are available in different offices of the respondents in various places, where the respective petitioners may have worked.

As the petitioners had worked in different places, they may make their application for inspection of the records of the payment vouchers/account records in the offices where they had worked and from where they had received the payment. On such application being made, the respective officers of the respondents, who may be the custodian of such records, shall allow the petitioners to inspect the relevant records.

The required application as indicated above be filed before the respective offices within a period of 05(five) days from today.

The petitioners are also allowed to inspect the records of the selected candidates for the post of Sahayak, whose name shall be provided by the petitioners before the Chief General Manager (HR), who shall allow the petitioners to inspect the marks obtained by such candidates. The petitioners state that they have only the roll numbers of the candidates and therefore, the roll numbers be given in the application and the authorities shall work out as to what marks were allotted against such roll numbers.

WP(C) No.1518/2020

The petitioners claim for regularization on the basis of their 15/16 years of service experience. The order to be passed subsequently.

In view of the orders dated 11.11.2020 and today i.e. 18.11.2020, the matters be listed again on 02.12.2020 in order to enable the respective petitioners to report back to the Court as to what information they could obtained after inspecting the record etc as ordered. It is clarified that the purport of the orders dated 11.11.2020 and 18.11.2020 are that wherever the respective petitioners are required to inspect the records of any other candidates, it shall be confined to only such candidates against whom they have their allegations. Allowing the petitioners to inspect the records does not mean that the petitioners would claim to examine the whole of the records without any basis or any claim.

List the matters again on 02.12.2020.

JUDGE

Comparing Assistant
