The case diary is received.

Though the complainant has supported his allegations in the FIR and there is also noting in the case diary about the petitioner taking money in similar lines from other people, but the learned Addl. P.P. has fairly submitted that he did not notice statements of witnesses on those lines.

Nevertheless, the case diary may be returned back and procure again after some more investigation.

The interim order passed earlier shall continue till the next date of listing.

List this matter again on **22.01.2026**.
