ORDER

Date : 19.09.2025

Heard Mr. T. Topu, learned counsel for the petitioner, who submits that the petitioner had entered into an agreement with the Assistant Engineer, PHE Department, Itanagar Division, on 14.04.2005, to the effect that, for the donation of land made by the petitioner measuring an area of 1687 square meters, the PHE Department would be awarding civil construction works to the petitioner, he being the land doner. Further, the casual contingency peons if required in future be given in consultation with the land doner. The learned counsel submits that despite such an undertaking and understanding reached between the parties, the PHE Department has not fulfilled its part of the bargain and has constructed buildings in the said plot of land without engaging the land doner. The petitioner had submitted several representations and the last representation was on 19.03.2025 but the respondent authorities have failed to consider the same. The petitioner, having no other alternative, is before this Court.
