ORAL ORDER

1. From the record it appears that the allegations levelled against the Petitioner in the FIR is to the effect that the deceased had borrowed some money six – seven years prior to the incident on interest and though the principal amount had already been paid by the deceased to the Petitioner, the Petitioner was demanding more and more interest for the said amount.

2. The perusal of the FIR further indicates that the deceased had also purchased a parcel of flat and for the said purpose he had already paid an amount of Rs.29 Lakhs to the concerned vendor. However, despite the payment of the money, the vendor has not executed the sale deed in favour of the deceased. The FIR also indicates that the deceased was indebted to several other persons as well as the financial institutions.

3. Having regard to the aforesaid aspects, issue Notice, returnable on 6th May 2026. No coercive step shall be taken against the Petitioner till the next date of hearing.
