ORAL ORDER

It is found out from the record that the applicant is in jail since 10.09.2021, i.e., for more than four years, and charge-sheet also came to be filed in the month of March, 2022, however, still the trial has not been completed.

Hence, the Registry is directed to call for a detailed report from the concerned Presiding Officer, to be forwarded through the Principal District Judge, stating/explaining as to why, despite charge-sheet having been submitted way back in the year 2022, the trial has yet not been commenced, so as to reach this Court on or before 18th January, 2026.

The matter is posted on 19th January, 2026.
