		petitioner submitted that it was only on 16.07.2012, a representative of the financial institution called him over phone stating that whether the respondent was intending to mortgage the property with the bank for availing loan, he came to know about the passing of the judgment and decree. The petitioner further submitted that he met his counsel several times and enquired about the progress of the case, but his counsel stated that his colleague was looking after the matter and that he would inform the petitioner later after getting information, but never informed him about the stage of the case, due to which the delay occurred in filing the revision.
