JUDGMENT:

Heard Mr. D.Narendar Naik, learned counsel representing Mr. Sai Sanjay Suraneni, learned counsel appearing for the appellant, Mr. A.Veeresh Kumar, learned Standing Counsel for Hyderabad Metropolitan Water Supply and Sewerage Board (HMWSSB) appearing for respondent No.1 and

Mr. G.Bhaskar, learned Government Pleader for Municipal Administration and Urban Development Department (MA & UD) appearing for respondent No.2.

2. The writ petition is directed against the condition 3.7(a)(i) and (ii) in Section II of the Tender dated 24.03.2026 as being arbitrary and illegal and fit to be quashed. The matter was taken up on 08.04.2026 by the learned writ Court when the learned writ Court directed the learned Standing Counsel for HMWSSB and learned Government Pleader for MA & UD to take notice and file counter affidavits. Petitioner has assailed the said order in the present appeal.

3. In essence, the contention of the appellant is that the impugned terms and conditions of the tender notification though not render it ineligible but places it in a much disadvantageous position by prescribing arbitrary norms which are not in the public interest and rather intended to favour few persons. Therefore, it has prayed for interim protection in the present appeal.

4. Learned Standing Counsel for HMWSSB appearing for respondent No.1 submits that the submission of tender has been closed at 11.00 A.M. today. It is submitted that the challenge of the tender conditions made by the appellant could be determined only after completion of pleadings. As such, in public projects such as this, no interim relief can be granted.

5. We have considered the submissions of learned counsel for the parties.

the nature of a challenge to a tender condition as being arbitrary and discriminatory, at this stage, no interim relief as prayed for can be allowed in view of the decision rendered by the Apex Court in the case of **Raunaq International Ltd. v. I.V.R. Construction Ltd.**¹. The learned writ Court has also, therefore, deemed it proper not to grant any interim relief and adjudicate the issue after completion of the pleadings. Respondents have been asked to file counter affidavits. We, therefore, find no reason to interfere in the impugned order.

6. The Writ Appeal is, accordingly, dismissed. However, the learned writ Court would endeavour to decide the writ petition in an expeditious manner. Learned Standing Counsel for HMWSSB appearing for respondent No.1 and learned Government Pleader for MA & UD appearing for respondent No.2 submit that counter affidavits will be filed within two weeks. There shall be no order as to costs.

Miscellaneous applications pending, if any, shall stand closed.
