**I.A. NO: 2 OF 2026**

Petition under Section 151 of C.P.C praying that in the circumstances stated in the affidavit filed in support of the writ petition, the High Court may be pleased to direct the Respondents to forthwith take necessary steps to release and pay the admitted amounts due to the Petitioners under the Reimbursement of Tuition Fee scheme for the SC/ST/EBC/BC/MW students in the said institutions, pending disposal of WP No 12513 of 2026, on the file of the High Court.

**The Court made the following:**

**ORDER**

**Notice before admission.**

**Mr. Mallu Nethan Reddy, learned Assistant Government Pleader attached to the Office of the learned Additional Advocate General seeks time to file counter-affidavit.**

**Mr.Malipeddi Srinivas Reddy, learned Standing Counsel for Osmania University takes notice on behalf of respondent No.9.**

**List on 30.04.2026.**

**Heard Mr.Madhavarapu Siddhartha Rao, learned counsel for the petitioners and Mr. Mallu Nethan Reddy, learned Assistant Government Pleader attached to the Office of the learned Additional Advocate General. Perused the record.**

Learned counsel for the petitioners submitted that the petitioners-institutions are prohibited from collecting tuition fees directly from parents of eligible students of SC/ST/EBC/BC/MW and other categories, as specified in G.O.Ms.No.50, dated 26.08.2008, G.O.Ms.No.102, dated 29.07.2009, G.O.Ms.No.66, dated 08.09.2010. It is contended that, thereafter, the Government has been consistently failing to reimburse the tuition fee and special fee payable to the petitioners under the Fee Reimbursement Scheme and has not released several crores of rupees admittedly due for the past several years. It is further submitted that even after generation of tokens for certain amounts, the said amounts have not been released by the respondents to the petitioners-institutions.

Learned counsel for the petitioners further submitted that, despite such non-payment, the Government continues to enforce the aforesaid Government Orders prohibiting the collection of fees from the students. On account of such inaction, the petitioners-institutions are stated to be financially crippled and unable to generate the requisite revenue for its day-to-day administration, including payment of salaries to teaching and non-teaching staff.

Learned counsel for the petitioners further submitted that this Court, by order, dated 02.04.2026 passed an interim order in W.F.No.4835 of 2026 and batch in similar matters. The petitioners-institutions in the present writ petition also stand on the same footing as that of the petitioners in the above batch of writ petitions. Accordingly, learned counsel for the petitioners sought for interim direction to permit the petitioners-institutions to collect tuition fees directly from eligible SC/ST/EBC/BC/MW and other categories of students covered under the aforesaid Government Orders, without reference to the said Government Orders, so as to avoid further accumulation of dues from the ensuing academic year 2026-2027 onwards.

On the other hand, the learned Assistant Government Pleader, appearing on behalf of the learned Additional Advocate General, while admitting that amounts are due to the petitioners-institutions, requested time to obtain necessary instructions regarding the timeline for payment and disbursement of such amounts to the petitioners-institutions and also sought time to file counter affidavit.

Having heard the learned counsel appearing on both sides, it is admitted that the amounts are due and payable by the Government to the petitioners-institutions. Nevertheless, there has been no clarity from the learned Assistant Government Pleader as to the timeline within which the payments would be made by the Government to the petitioners-institutions.

Considering the facts and circumstances of the case, this Court is of the *prima facie* view that substantial amounts, running into several crores of rupees, remain due and payable by the Government to the petitioners-institutions for the past several years, causing significant hardship in the administration and functioning of the petitioners-institutions.

Accordingly, as an interim measure, the petitioners-institutions are permitted to collect tuition fees directly from eligible students belonging to SC/ST/EBC/BC/MW and other categories covered under the aforesaid Government Orders, from the academic year 2026-2027 onwards, without reference to the said Government Orders, subject to the outcome of the present Writ Petition. However, it is made clear that, in the event the present Writ Petition is dismissed, the petitioners-institutions shall refund the tuition fees so collected, to the respective students.
