I.A. NO: 1 OF 2026

Petition under Section 151 of C.P.C praying that in the circumstances stated in the affidavit filed in support of the petition, the High Court may be pleased to direct the respondents not to take any coercive steps against the petitioner including dispossession from her private agricultural patta land an extent of Ac.2.13 gts in Sy.No.618/Ru of Sudimalla Village Yellandu Mandal Bhadrachalam-Kothagudem District by unilaterally treating the same to be situated in Sy.No.549 of Rompedu Village, Pending disposal of WP No. 15173 of 2026, on the file of the High Court.

The petition coming on for hearing, upon perusing the Petition and the affidavit filed in support thereof and the order of the High Court dated: 01.05.2026 made herein and upon hearing the arguments of SRI Krishna Kishore Kovvuri Advocate for the Petitioner, Gp For Revenue for the Respondents, and the Court made the following.

ORDER

Heard learned counsel for the petitioner and learned Assistant Government Pleader for Revenue.

Learned Assistant Government Pleader for Revenue furnished written instructions along with copy of letter of acceptance dated 30.10.2025 issued by the Telangana Education Welfare and Infrastructure Development Corporation for construction of Young India Integrated Residential School Complex in Sy.No.549, Rompedu Village admeasuring Ac.20.00 guntas. It is stated that the petitioner claims land admeasuring Ac.2.13 guntas in Sy.No.618/Ru, Sudimalla Village and as per the revenue records, the land in Sy.No.618 is Government land (Pormaboke). The land identified for construction of school in Sy.No.594 of Rompedu Village and has no connection with the land claimed by the petitioner in Sy.No.618, Sudimalla Village.

Learned Assistant Government Pleader further submitted that upon verification of records, Sy.No.549 of Rompedu Village is classified as Government land and land in Sy.No.618, Sudimalla Village is also classified as Government land. The boundaries of both the villages were verified using village maps, survey records and the tri-junction method involving Rompedu, Sudimalla and Usirikayalapalli Village. Field inspection revealed that there is

no overlap in ground possession between Sy.No.549 and Sy.No.618. However, discrepancy exists in village maps due to historical survey differences (Rompedu Surveyed in 1923 and Sudimalla earlier). This has resulted in a map overlap, though not in actual ground boundaries.

As seen from the instructions, the matter requires consideration and the respondents are directed to file counter by the next date of hearing.

Interim order, granted earlier, shall stand extended till the next date of hearing.

List on 10.06.2026 along with WP.No.2777 of 2026.
