		The contention of learned counsel for the petitioner is that there are good grounds for the petitioners to succeed in the revision. It is further contended that though there is no evidence on record to prove the allegations against the petitioners, both the trial Court and the appellate Court erroneously convicted the petitioners. As such, requested this Court to suspend the sentence passed by the trial Court and confirmed by the appellate Court, till disposal of this revision. Considering the facts and circumstances of the case and the material available on record, this application is allowed suspending the sentence alone imposed by the trial Court and confirmed by the appellate Court till disposal of this revision petition on payment of 20% of the compensation amount awarded by the trial Court within a period of one month from the date of receipt of a copy of this order.
