The Court made the following: COMMON ORDER

THE HON'BLE SMT. JUSTICE T. MADHAVI DEVI
WRIT PETITION Nos.20282, 20283, 20301, 20305, 20573, 20574,
20660, 20719, 20762, 20763 and 21092 of 2025
COMMON ORDER:

Since, the issue involved in all these Writ Petitions is one and the same, they are being heard together and disposed of by way of this common and consolidated order.

2. In all these Writ Petitions, the petitioners claim to be the persons who are entrusted with the works under DMFT Scheme. The grievance of the petitioners is that they have executed the works and the Panchayat Raj Engineer has also certified that they have completed the works and have also recommended for making payments, but the respondents, in spite of receiving the fund from Singareni Collieries Company, have not utilized the fund for making payments to the contractors but have diverted the funds for other purposes. The petitioners alleged that the contractors who have executed the works subsequently also have received some money, whereas the petitioners have been deprived of the payments. Thus, discrimination in payments is also alleged.

3. The learned Additional Advocate General, appearing for the respondents, submitted that the petitioners have not filed the documents or the agreements for all the works entrusted to them and for which they are seeking payment, but have filed documents to show much higher amounts as receivable and therefore, the claim of the petitioners needs verification.

4. He submitted that the payments are going to be made in seriatim as per the entitlement of the contractors who have executed the works. He has also furnished the copy of G.O.Ms.No.16, dated 08.07.2025 which prescribes the guidelines for the DMFT fund and as to how the said fund has to be utilized.

5. He submitted that 70 percent of the DMFT fund has to be allocated to Pradhan Mantri Khanij Kshetra Kalyan Yojana (PMKKKY) which is the priority area and 30 percent of the funds are to be allocated to the other priority areas i.e., for Physical Infrastructure, Irrigation, Energy and Watershed Development and any other measures for enhancing environmental quality in the mining affected district and that the works which have been executed by the petitioners and others fall under the category of other priority areas.

He submitted that the works which are claimed to have been executed by the petitioners fall under the category of Physical Infrastructure.

6. As regards the grievance of the petitioners that 105 Crores which have been received from the Singareni Collieries Company towards DMFT fund has been diverted for Young Skill India Residential Schools even though the said work has not even commenced and therefore, the petitioners are being deprived by the money due to them. Learned Additional Advocate General submitted that Education is one of the area which falls under the scope of PMKKKY and there was a short fall in utilization of the said fund and therefore, the above mentioned amount has been kept aside for the said purpose. He submitted that the fund available as on date, will be distributed to the petitioners and others in the order of their seriatim.

7. In view of the above submissions, this Court is of the opinion that the Court cannot decide as to how the DMFT funds have to be utilized but can only direct the respondents to utilize the funds strictly in accordance with the DMFT Scheme. It is noticed that a sum of Rs.105 Crores have already been set aside for priority area utilization. Therefore, the funds which are lying in the account of the DMFT as on today, shall not be diverted for any other purposes and shall be paid

to the contractors in the order of their seriatim and if their works and measurement books and accounts have already been verified and the amounts to be paid have been finalized, the payments shall be made immediately to such contractors. The entire exercise shall be completed expeditiously, preferably within a period of two (02) months from the date of receipt of a copy of this order.

8. With the above directions, these Writ Petitions are disposed of. There shall be no order as to costs.

Miscellaneous applications, if any, pending in this Writ Petition, shall stand closed.
