HON'BLE SMT JUSTICE TIRUMALA DEVI EADA

L.A.A.S.Nos.57, 81 and 124 OF 2024

COMMON JUDGMENT: *(Per Hon'ble Justice Abhinand Kumar Shavili)*

When the matters are taken up for hearing, learned counsel appearing for the appellants had informed this Court that the issue raised in these Appeals is squarely covered by the judgment, dated 27.01.2025, passed by this Court in L.A.A.S.No.49 of 2024. Learned counsel had further contended that L.A.A.S.No.49 of 2024 was filed by claimant No.26 in O.P.No.91 of 2014, dated 03.10.2018 and the appellants herein are other claimants in O.P.No.91 of 2014. Therefore, similar order be passed in these appeals also. Learned counsel had further contended that LAAS No.49 of 2024 was disposed of by relying on a Division Bench judgment of this Court in L.A.A.S.No.125 of 2015 and batch, dated 27.09.2022, whereby the market value of the land acquired therein was enhanced by two more times than the value fixed by the Land Acquisition Officer with all consequential benefits,

however, for the delay period in preferring the appeals, the claimants are not entitled for any interest.

3. Learned counsel for the appellants had further contended that the judgment, dated 27.09.2022 passed in L.A.A.S.No.125 of 2015 and batch was also confirmed by the Apex Court in S.L.P.(Civil)No.28925 of 2024, dated 17.09.2024. Therefore, the present appeals can also be disposed of in terms of the judgment, dated 27.01.2025 passed in L.A.A.S.No.49 of 2024.

5. Learned Government Pleader appearing for the 1st respondent-Land Acquisition Officer had contended that the purpose of acquiring lands of appellants is for Ryalampadu Balancing Reservoir under Jawahar Lift Irrigation Project and Priyadarshi Jurala Project and G.O.Ms.No.234, dated 15.10.1993 and G.O.Ms.No.291, dated 05.08.1982 are not applicable to the said irrigation projects. Therefore, all the appeals are liable to be dismissed.

4. Having considered the rival submissions made by the learned counsel on either side, this Court is of the view that the Division Bench of this Court in L.A.A.S.No.2 of 2016, dated 27.09.2022 and L.A.A.S.No.4 of 2016, dated 15.09.2022 held that the said G.Os. are applicable for all the Irrigation Projects, and though the said G.Os. were issued specifically for Srisaïlam Hydro Power Projects. L.A.A.S.No.125 of 2015 and batch, dated 27.09.2022 and L.A.A.S.No.4 of 2016, dated 15.09.2022 were allowed and the market value was enhanced by two more times than the value fixed by the Land Acquisition Officer. Aggrieved by the order, dated 27.09.2022, in L.A.A.S.No.125 of 2015 and batch, the State has carried the matter to the Apex Court by filing S.L.P.(Civil).No. 28925 of 2024 and the Apex Court *vide* order, dated 17.09.2024, confirmed the order passed by the Division Bench of this court in L.A.A.S.No.125 of 2015 and batch. Therefore, the present appeals can also be disposed of in terms of the judgment, dated 27.09.2022, passed in L.A.A.S.No.125 of 2015 and batch.

5. Accordingly, all the appeals are allowed by following the judgment, dated 27.09.2022, passed in L.A.A.S.No.125 of 2015 and batch, and the market value is enhanced by two more times (1+2) than the value fixed by the Land Acquisition Officer with all consequential benefits. However, the appellants are not entitled for interest for the delay period in preferring the appeals. There shall be no order as to costs.

Miscellaneous Petitions, if any, pending in these appeals shall stand closed.
