Notice to respondent Nos.4 and 5 are dispensed with. With the consent of the parties, this writ petition is being taken up for disposal at the admission stage itself.

2. This writ petition is filed seeking following prayer:

"declaring the action of the respondent No.3 in summoning the petitioner to the police station and attempting to facilitate a compromise in a purely civil dispute, at the behest of respondent Nos.4 and 5's influence and pressure as illegal, arbitrary and violative of Articles 14 and 21 of the Constitution of India, and consequently direct the respondent Nos.1 and 3 not to permit any influence of respondent No.4 and 5 on the police machinery for settling a civil dispute and pass...."

3. The facts of the case in brief are that petitioner along with his partner in M/s.GS Infra entered into MOU dated 06.12.2021 with respondent No.4 pursuant to which, M/s.GS Infra entered into two separate agreements dated 08.12.2021 and

10.12.2021 with respondent Nos.4 and 5 respectively ^{which} who are connected entities and agreed to promote, market and identify potential consumers for sale of residential units developed by the petitioner and his partner and also provide loan under the said agreement. Learned counsel for the petitioner submits that certain civil disputes have arisen concerning the terms and performance of the agreements dated 08.12.2021 and 10.12.2021. Thereafter, respondent Nos.4 and 5 issued two legal notices dated 10.07.2025 to the petitioner demanding Rs.1,65,61,610/- and Rs.1,47,97,806/- respectively, whereas the petitioner claim money from respondent Nos.4 and 5 which was paid in excess due to incorrect accounting. It is further submitted that respondent Nos.4 and 5 are persistently attempting to exert pressure on petitioner to settle the dispute and they have approached respondent No.3 and sought to involve him into a matter, which is purely civil in nature. On 24.07.2025, respondent No.3 summoned petitioner to appear before the police station. When the petitioner appeared before respondent No.3, it became evident that no formal police complaint has been lodged by respondent Nos.4 and 5 and he was being called to police station and compelled to engage in a compromise with respondent Nos.4 and 5, which is a civil matter. Questioning the same, the present Writ Petition is filed.

4. As such, the respondent authorities are not interfering in the civil disputes.

5. Recording the submission made by learned counsel appearing on either side, this Writ Petition is disposed of directing respondent No.3/Police to follow due process of law before initiating any action against the petitioner.
