2. Heard learned counsel for the petitioner and learned Assistant Government Pleader for Home appearing on behalf of respondent Nos.1 to 4. With their consent, this writ petition is taken up for disposal.

3. The facts of the case in brief as stated are that petitioner and his ancestors claims to be original owner of the subject property and the same is Laoni patta land. The said land was acquired from the State Government in the year 1987 by the grandfather of the petitioner and that the petitioner is cultivating the said land. It is submitted that one Mr.Rajesh Gupta and others have illegally trespassed into the petitioner's land and destroyed the petitioner's crops with the help of JCB. In that regard, petitioner made several complaints to respondent Nos.2 to 4, however, no action has been initiated against the said accused persons. It is further submitted that petitioner's grandfathers graves are in the subject property and on 21.09.2025, when the petitioner and his family members are performing poojas,

the above said persons along with henchmen threatened the petitioner in filthy language with dire consequences and also physically assaulted the petitioner and his family members. Accordingly, petitioner lodged a complaint before respondent No.4, however, respondent No.4 refused to receive the complaint, subsequently, petitioner sent the complaint through registered post on 22.09.2025. Learned counsel draws attention of this Court to the complaint dated 29.09.2025 and would submit that there are certain disputes pending in O.S.No.428/2022 before trial Courts with regard to the subject property. Since, no action is forthcoming on the complaint, the present writ petition is filed.

4. The Sub-Inspector of Police, Shadnagar Police Station has placed a copy of instructions through learned Assistant Government Pleader for Home and would submit that on the complaint made by the petitioner on 22.09.2025, respondent No.4 made a GD entry and enquiry has been conducted and after thorough enquiry, the respondent Police closed the complaint as 'civil in nature' and intimated the same to the petitioner through notice

dated 07.10.2025 by suggesting the petitioner to approach the competent Civil Court for redressal of his grievance. It is further submitted that respondent No.4 has not received any specific order from the competent Court to provide police protection to the petitioner. As such respondent No.4 conducted enquiry and closed the complaint as 'Civil in Nature' and the allegation that respondent No.4 has not conducted enquiry is false and baseless and accordingly prayed to dismiss the writ petition.

5. In that view of the matter, since the complaint of the petitioner has already been closed as 'civil in nature' by respondent No.4, this writ petition is disposed of with a direction to respondent authorities to follow due procedure as contemplated under of law for further course of action, if any. Needless to state, petitioner may seek appropriate remedy as available under law.

Miscellaneous petitions, pending, if any, shall stand closed. However, there shall be no order as to costs.
