20.07.2016, 05.04.2017, 03.08.2018. A common thread in these orders is protecting the academic career of the students. Though Writ Petition No. 4675 of 2016 was disposed of, respondent Nos.3 and 4 were directed to permit the petitioner to appear for the University examination and further were directed to declare result, so as to prosecute further studies. By order dated 03.08.2018, the respondents were specifically directed not to refrain the petitioner/applicant from prosecuting further studies for 4th year, only on the ground that the validity is pending. The Counsel submitted that in-spite of these directions, respondent Nos.3 and 4 are not permitting the petitioner to prosecute studies in 4th year of Engineering course. It is also specific statement made before us that though the petitioner made attempt to submit application to the authority by apprising the authority the order of this Court and seeking permission to prosecute his studies, the application is not even accepted. We are surprised to see the approach of the authority.
