subsequently converted into rectification petitions. At today's hearing, learned counsel seeks a pass-over to make submissions thereon. The file of OP(TM)/3/2024 bears an endorsement that W.P.No.7777 of 2023 was re-numbered as OP(TM)/3/2024 pursuant to order dated 21.04.2023. In fact, the record discloses that about 15 writ petitions were re-numbered as original petitions, in this manner, after the IPD was constituted. In these circumstances, the preliminary objection on this ground is overruled.

2. Since pleadings are complete, the parties are directed to submit draft issues and a common proposed schedule for recording evidence. List these matters on 19.06.2025.
