ORDER

This writ petition is filed by the petitioner to direct the respondents herein to consider the petitioners representation dated 09.02.2024 and to disburse the balance gratuity amount along with interest on delayed payments at the rate of 10% per annum to the petitioner.

2. The case of the petitioner is that the petitioner was initially appointed as Account Trainee in the second respondent Corporation on 13.01.1986 and he retired from service as Assistant Manager on 31.07.2015. However, the retirement benefits were not disbursed to the petitioner in full, till date. In this regard, he has also sent a representation dated 09.02.2024 to the respondent, seeking payment of sum of Rs.8,08,449/- upon calculation of interest till 09.02.2024. However, the said representation was not considered, as on date. Hence, the petitioner has come forward with the present writ petition.

3. Though many grounds have been raised in this writ petition, learned counsel for the petitioner submit that, it would suffice, if this Court issues direction to the respondents to consider the petitioner's representation dated 09.02.2024, as expeditiously as possible.

4. Learned counsel appearing for the respondents would submit that the petitioner's representation dated 09.02.2024 will be considered and appropriate orders will be passed within a time frame that may be stipulated by this Court.

5. Heard the learned counsel on either side and perused the materials available on record.

6. Considering the limited relief sought by the learned counsel for the petitioner, this Court without going into the merits of the case, directs the respondents to consider the petitioner's representation dated 09.02.2024 and pass appropriate orders on merits and in accordance with law, within a period of six weeks from the date of receipt of a copy of this order.

With the aforesaid direction, this writ petition stands disposed of. No costs.
