2. The review petitioner raised certain grounds relatable to facts and merits of the case, which cannot be adjudicated in a Review Application. A perusal of the grounds raised in the Review Application would show that the petitioner has raised certain grounds, which were not considered by this Court, such grounds for an appeal may not be a ground to review the order and all such grounds are to be made in the event of preferring an appeal. However, this Court does not find any error apparent warranting exercise of review jurisdiction. Non consideration of certain grounds, as per the review petitioner, need not be considered in a review petition. Scope of Order 47 Rule 1 cannot be expanded for the purpose of re-adjudication on merits.

3. Thus, the Review Application is devoid of merits and stands **dismissed**. No costs. Consequently, the connected miscellaneous petition is closed.
