Respondents

For Petitioner: Mr.P.S.Ganesh

For Respondents: Mr.Krishna Ravindran,
Standing Counsel for RR3-7

ORDER

The main grievance of the petitioner is that although they had uploaded the documents, when the documents were forwarded to the address of the respondent, the same was not accepted and returned with a message “Java heap space” and the original EMD was also returned. This message appears to be emanated from the end of the receiver namely the respondents. Therefore, without prejudice to the contention of the respondents and subject to the report of the NIC, the petitioner is directed to submit the original physical documents along with the DD for the EMD to the third respondent ***before 5.00 P.M. this evening*** and the third respondent shall accept the same and evaluate the technical bid and not disclose the details/results which shall ultimately be

subject to the further orders in this writ petition.
