ORDER

The report of the Counsellor is perused. The Counsellor has stated that the child is comfortable during the visitation rights exercised by the father and has recommended for continuing the visitation. However, insofar as the custody, the Counsellor has suggested that there should be no interference with the custody being with the mother.

2.The learned counsel for the respondent states that both the petitioner and the respondent sought for dissolution of the marriage and therefore, he seeks for the matter being referred to the mediation centre to enable the

parties to come to an amicable compromise.

3.The learned counsel for the petitioner states that the petitioner has no objection for attempting mediation in order to settle the issues once in for all.

4.In the light of the above, the parties are referred to mediation centre attached to this Court. The parties shall appear before the mediation centre on 14.08.2025. Mrs.Thenmozhi Saravanan, is appointed as the Mediator to sit with the parties to resolve their differences, including the visitation/custody rights of the minor child. It is made clear that in the meantime, the earlier order regarding visitation of rights shall continue.

5.The learned counsel for the respondent also complains that the father was not provided with three hours as directed by this Court. The learned counsel for the petitioner however states that it was only on 19.07.2025, there was a delay that, too because of the counselling session. Therefore, it is made clear that during future visitation dates, the petitioner shall ensure that the child is present at the counselling centre at 10.00 a.m to 1.00 p.m.
