ORDER

(Order of the Court was made by the Hon'ble Chief Justice)

This application has been filed to condone the delay of 121 days in filing the appeal.

2. Though learned counsel for the respondent strongly objected to the condonation of delay, considering the submission of learned counsel for the petitioner that the delay was owing to official exigencies and procedural formalities and that minor child is over-aged and not eligible to be admitted in accordance with the order passed by the learned Single Judge, we are condoning the delay to hear the appeal on merits.

This application is allowed. The Registry is directed to number the appeal and list the same for admission.
