ORDER

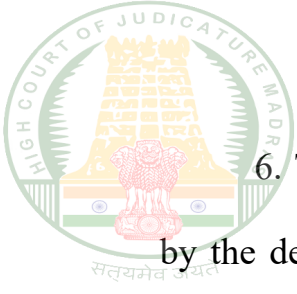

At the time of commencement of trial, the plaintiff has filed an application to amend the pleading as well as cause title and the same was allowed by the trial Court, which is under challenge.

2. The learned counsel for the petitioners / defendants submits that even at the time of filing of the written statement, they have disputed the cause title and other averments in the plaint, wherein the plaintiff has claimed themselves as a partner as well as the proprietorship of the S.P.S Chit Funds, which is not sustainable under law. However inspite of that they have not taken any steps much earlier. Now at the time of commencement of trial, they wanted to amend the pleadings as well as the cause title and such proposed amendment also would change the character of the suit. But without considering the same, the trial Court has allowed the said application. Hence, he prayed for setting aside the same.

3. I have Perused the amendment application.

4. Admit.

5. Issue notice to the respondents, returnable by 13.07.2026. Private notice is also permitted.

6. Though the cause title and other averments have already been denied by the defendants in the written statement, but the trial Court has allowed the amendment application which according to the petitioners would change the character of the suit, more so at the time of commencement of trial, there shall be an order of interim stay of all further proceedings in I.A.No.5 of 2025 in O.S.No.6465 of 2023 on the file of the VII Additional District and Sessions Judge, Chennai, until further orders.

7. Post on 13.07.2026.
