ORDER

In a suit seeking injunctive and monetary reliefs in relation to the use of the plaintiff's software/algorithms, the plaintiff has applied for several interim remedies.

2. Both learned counsel for the first defendant and learned senior counsel for the second defendant submit on instructions that the first defendant stopped using the plaintiff's algorithms after 16.12.2025. They also submit that they have developed algorithms/software which are being deployed for the Kalyan Jewellers Project.

3. The contesting parties also agree to the appointment of two experts for purposes of taking necessary measures to deactivate the plaintiff's software/algorithms hosted on the private cloud operated by the third defendant and for comparing the algorithms/software of the plaintiff with that of the first defendant so as to ascertain whether there was copying.

4. The first and second defendants also agree without prejudice to the contentions on merits to deposit a sum of Rs.5,00,00,000/- (Rupees Five Crore only) by way of a fixed deposit in the name of the Registrar General of this Court towards the claims of the plaintiff for the period running from 01.12.2025 to 31.03.2026.

5. Accordingly, the following interim directions are issued:

5.1 There shall be an order of interim injunction as prayed for in O.A.No.202 of 2026 until the next date of hearing;

5.2 The first and second defendants are directed to create an interest bearing fixed deposit account in the name of the Registrar General of this Court in a scheduled bank and to the credit of the suit for a sum of Rs.5,00,00,000/- (Rupees Five Crore only). The initial term of deposit shall be for one year on auto-renewable basis until the disposal of the suit. The original fixed deposit receipt shall be handed over to the Registrar General and a copy thereof provided to the plaintiff. Such fixed deposit shall be created on or before 24.04.2026;

5.3 The following experts are appointed to take necessary measures to deactivate the plaintiff's software/algorithms hosted on the private cloud operated by

the third defendant and to compare the algorithms/software of the plaintiff with that of the first defendant:
