This Civil Revision Petition has been filed seeking to set aside the docket order passed in I.A No. 2 of 2024 in OS No. 825 of 2023 dated 10.12.2024 on the file of the Principal District and Sessions Judge, Salem.

2. The learned counsel for the petitioner submits that the petitioner filed I.A. No. 2 of 2024 in O.S. No. 825 of 2023 on the file of the Principal District and Sessions Judge, Salem, seeking an interim injunction. However, the Trial Court, without deciding the core issue, repeatedly adjourned the case for the past 12 months and ultimately closed the application holding that the suit was ripe for trial.

3. Aggrieved by the said order, the petitioner has preferred this Civil Revision Petition.

4. The learned counsel for the petitioner further submits that the Trial Court ought to have disposed of the interim application within the statutory timeframe instead of repeatedly adjourning the matter for 12 months. It is contended that closing the application on the sole ground that the suit is ripe for trial is erroneous and liable to be set aside.

5. Considering the facts and circumstances, while the suit may be ripe for trial, an application for an interim injunction requires timely adjudication. Since the plaintiff has filed the suit for declaration and permanent injunction, the Trial

Court is hereby directed to expedite the proceedings and dispose of the main suit in O.S. No. 825 of 2023 on merits and in accordance with the law within a period of six months from the date of receipt of a copy of this order.

6. In the result, this Civil Revision Petition is disposed of with the above direction. No costs. Connected pending petitions, if any, are closed.
