Both the plaintiff as well as the third defendant have given their proposal for compromise in a sealed cover. This was necessitated essentially because the earlier round of mediation before Shri.T.R. Rajagopalan failed because the parties has failed. Therefore, to introduce clarity in the matter, this Court required the plaintiff and her brother, who has now joined the defendants, to file a set of proposal in a sealed cover and they are produced today. Now, given the change of equation and the third defendant, who being the son taking up the responsibility to resolve the matter amicably, this Court deems it appropriate to refer the matter again to mediation to which the parties agree and submit that the mediation may be provided within the framework of the proposal now given by the plaintiff and the third defendant.

2. The mother of the parties, the second defendant, is also required to join the mediation. Learned counsel for the 2nd defendant submitted that he had given his proposal to the previous mediator. He is now required to give a fresh proposal again to the mediator to be appointed by this Court now.
