2. The defendant has filed an application before the trial court under Order XVI Rule 6 of CPC to strike off the plaint in OS No.884/2023, which was filed for bare injunction. But the court below failed to appreciate the said application and erroneously dismissed the application. Aggrieved over the same, the defendant has preferred this revision.

3. The learned counsel for the revision petitioner submits that the suit itself is an abuse process of law and on the base of the plaint averments, it will be inferred and also contended that the plaintiff is not the owner of the property her husband is only owner and she also admitted the said fault in the plaint averments but she has not given any reason why she approached the court for such reliefs before the trial court and also not stated the status of her husband. Without that, the suit does not disclose cause of action, which is abusing the process of law, but the court below failed to appreciate the facts.

4. Perused records.

5. Notice to the respondent returnable by 16.07.2026. Private notice is also permitted. List the matter on 16.07.2026. The suit proceedings are ordered to be stayed till then.
