ORDER

Mr.Franklin, learned counsel for the third respondent states that he did not admit to the factum of demolition of the dividing wall. However, I find that this Court has recorded the fact that it is an admitted position that the dividing wall has been demolished, and the matter was adjourned to 29.4.2026 on 27.4.2026 only to enable the third respondent's counsel to get instructions regarding reconstruction of the dividing wall.

2. Today, Mr. Franklin, learned counsel appearing for the third respondent, states that the correct position has not been recorded by this Court. The same can be clarified only before the very same Judge who passed the order on 27.04.2026.

3. In the light of the above, giving liberty to the respondents to move the Judge concerned, I am inclined to adjourn the matter. Call the matter on 31.08.2026 under the caption "for orders".
