

DR.R.N.MANJULA, J.

Both side counsel submitted that the matter has been settled and the defendant is about to file her consent affidavit.

2. As submitted, let the consent affidavit be filed within a period of two weeks. In the meanwhile let the plaintiff prove the Will by examining the attesting witness. In order to facilitate the same, I feel the records be sent to the Master for recording evidence.

3. On perusal of the pleadings and on considering the submissions of the learned counsels for both sides, the following issues are framed:

- “1. Whether the Will has been proved to be compatible in terms of Section 63 of the Indian Succession Act?*
- 2. Whether the Will dated 10.04.2017 is proved to be genuine in accordance with Section 68 of Indian Evidence Act?*
- 3. Whether it is proved that the Will dated 10.04.2017 has been executed by the testator Rajarajeshwara Prabhu, while he was in a sound and disposing state of mind?*
- 4. Whether the plaintiff is entitled to the relief as prayed?”*

3. The learned counsel for the plaintiff submitted that relevant documents have already been filed.

4. In view of the same, the matter is ordered to be listed before the learned Additional Master – III on 08.12.2025 for recording evidence. The parties are required to appear before the learned Additional Master – III on 08.12.2025.
