2. Relying upon the counter affidavit, learned counsel for the respondent submitted that the writ petitioner had filed this writ petition with an intention to harass the management and it is his argument that the petitioner indulged in unlawful activities and shown high degree of indiscipline inside and outside the campus. Hence, the respondent University was constrained to take disciplinary action against her.

3. Upon hearing the submission made by the learned counsel on either side, this Court, on a prima facie consideration of the matter, is of the view that the punishment imposed on the petitioner appears to be highly disproportionate. Accordingly, there shall be a direction to the respondent to revisit the penalty imposed on the petitioner and place a report before this Court on the next hearing date.

4. Post the matter on 16.06.2026.
