The learned counsel further submits that he has also sent a representation to various authorities for registering First Information Report and for compensation for a physical and psychological trauma and other disciplinary actions against the delinquent teacher. on behalf of the respondents 3, 6 and 7 on written instructions from the District Educational Officer, Mayiladuthurai submitted that CSR was registered against the concerned teacher in CSR No.339/2025. It is further submitted that the concerned teacher by name Ms.Yogitha has already been terminated from the service and that the authorities have been pursuing the matter with the school. It is further informed to this Court that the officials have visited the school and conducted an enquiry about the incident.

4. I have given my anxious consideration on either side submissions and also perused the materials available on record.

5. Therefore, this Court is of the firm view that the authorities have already taken cognizance of the petitioner's complaint and have initiated all necessary steps to address the issue appropriately. However, upon perusal of the representation, it is noted that the petitioner has sought compensation which does not fall within the scope of writ jurisdiction. In light of the action already taken by the District Educational Officer, this Court finds there is no merit in the present writ petition and the same is liable to be dismissed.
