2.This writ petition has been filed, challenging the impugned order in original on the ground of violation of principles of natural justice. According to the petitioner, they did not receive any show cause notice and that the respondents have not intimated about any personal hearing, prior to the passing of the impugned order in original. According to the petitioner, they came to know about the impugned order in original only in the month of May 2024. It is contended by the petitioner that on coming to know of the impugned order in original, the petitioner has also re-submitted all the BRCs with the respondents. The petitioner also contends that they have fulfilled all the export obligations by submitting BRCs at the relevant point of time. According to the petitioner, since the impugned order in original has been passed in violation of principles of natural justice as they did not receive any notice, prior to the passing of the impugned order in original, the impugned order in original has to be quashed.

3.Learned counsel for the petitioner seeks for quashing of the impugned order in original and also seeks for remanding the matter for fresh consideration.

4.Learned Senior Panel Counsel appearing for the respondents seeks time to get instructions and if required to file counter. Post the matter on 22.08.2025.
