Challenging the concurrent finding, the plaintiff preferred this Second Appeal.

2.This Court admits the Second appeal on the following substantial questions of law:

“(1)Whether the Courts below are justified in declining the relief of permanent injunction after having found in favour of the plaintiff regarding title as well as possession?

(2)Can the Courts decline the relief of permanent injunction merely because the defendants claim title to a different property when the plaintiff has established that the defendants attempted to trespass and interfere with the possession of the plaintiff in respect of the suit schedule property?

(3)Whether non impleading of the Government as a necessary party is correct?.”
