ORDER

(Order of the Court was made by S.M.Subramaniam,J.)

The present Review Application has been instituted, seeking
to review the order dated 13.08.2025 passed in CMA (CAD) No.1638 of
2025.

2. The main ground raised in the Review Application is that though counsel had filed Vakalath in CMA (CAD) No.1638 of 2025, he had not appeared at the time of hearing and order was passed on the same date. Therefore, one more opportunity is to be given by reviewing the said order.

3. Such a ground cannot be construed as a ground to review the order. In Paragraph No.6 of the order sought to be reviewed, this Court recorded the fact that plaintiff, though duly served and name shown in the cause list, has not chosen to come before this Court during the course of hearing.

4. That being the factum, the present Review Application is not maintainable. A person, who has not appeared before the Court cannot turn around and file review for hearing the matter and the said ground cannot be construed as a ground, warranting exercise of review jurisdiction.

Consequently, the present Review Application is dismissed.

No costs.
