ORDER

The Civil Revision Petition is filed seeking a direction to the Executing Court/Mahila Court, Chengalpattu to number the unnumbered execution application filed by the petitioners under Section 47 of the Civil Procedure Code.

2. A perusal of the typed-set of papers would indicate the execution application filed by the petitioners under Section 47 of the Civil Procedure Code was returned by the Executing Court raising certain objections. Instead of representing the papers by offering their explanation, straight away the petitioners have come before this Court. Whenever, papers are returned by the Court raising certain objection, it is the duty of the petitioners to offer their explanation and represent the papers. Therefore, this Court is not inclined to entertain this civil revision petition.

3. Accordingly, the Civil Revision Petition is dismissed with liberty to the petitioners to represent the papers before the Executing Court offering
