(Order of the Court was made by the Hon'ble Chief Justice)

Petitioner, who claims to be the neighbour of the second respondent, has filed this petition seeking issuance of a direction to the first respondent on the allegation that the construction raised by the second respondent is illegal and against the building laws.

2. The averments in the petition, as to how the petitioner is adversely affected in enjoyment of any of his rights, are blissfully vague. We leave the matter to be examined by the local authorities, if any complaint has been made. The petition stands closed. There will be no order as to costs.
