The grievance of the petitioner is that she was asked to vacate Shop No.11 on the undertaking that the same shop will be allotted to her on reconstruction.

2. To her shock and surprise, the said shop, which was in the ground floor, was not allotted to her, but a shop on the first floor has been allotted. She states that this is the breach of undertaking given by the Commissioner, Puducherry Municipality.

3. Mr.Tamilvanan, takes notice for the respondents. He seeks time to file a counter. He states, on instructions, that the Commissionerate had no role to play the allotment. The allotments were made by drawing lots.

4. Let the Commissionerate go by way of a counter and also produce records to substantiate the same.
