**COMMON ORDER**

This matter pertains to the removal of the invasive species – *Prosopis Juliflora*. The grave environmental damage and disaster resulting from the infestation of invasive species need not be reiterated. The danger was addressed by this Court through W.P.(MD) No.16485 of 2015. Over the past ten years, a series of orders have been issued by several Hon'ble Division Benches and different Hon'ble Full Benches. The Government also passed G.O.(Ms.) No.123, Environment, Climate Change and Forests (FR.6) Department, dated 13.07.2022,

unequivocally declaring *Prosopis Juliflora* an invasive species and clearly outlining the policy to eradicate *it* from the State of Tamil Nadu.

2. In spite of a series of orders, nothing is moving forward. Today, a status report was filed indicating the formation of committees in the districts and sporadic removal of invasives from certain areas of land, which involves spending government money. In fact, we have considered all these facts and issued an order on 26.09.2022; it is essential to extract the order as follows:

“Order Dated : 26.09.2022

1. With regard to the Status Report filed by the Principal Chief Conservator of Forest: In pursuant to the earlier order passed by the Full Bench, Status Report filed by the Principal Chief Conservator of Forests wherein it is stated that they removed Seemai Karuvelam in Tiger Reserve and Forest areas under Pilot Project for 200 Ha and the same was completed now. In such a view of the matter the department shall continue to remove the Seemai Karuvelam in other forest areas and file a report on or before 02.11.2022.

2. With regard to the Status Report filed by the Engineer in Chief, Water Resources Department: The Status Report filed by the Engineer-in-Chief, Water Resources Department and Chief Engineer (General) PWD indicates that all the water bodies where Seemai Karuvelam trees encroached have been identified. According to the Report 1,93,030.43 hectare of water bodies have been infested with Seemai Karuvelam trees. As on 31.03.2022 they

WEB COPY

have removed about 72,383.32 Hectares. A plan is also drafted for removal of remaining seemaikaruvelam trees in a phased manner by calling tenders.

2. As the entire water bodies have been identified, we direct the Engineer-in-Chief, Water Resources Department to call for a tender for all the remaining areas at once instead of calling for tenders in a phase manner, so that remaining areas can be cleared. Such a process can be completed within a period of three (3) months. So that in all the areas the remaining Seemai Karuvelam Trees will be removed from the water bodies.

3. With regard to the Status Report filed by the Commissioner of Rural Development and Panchayat Raj:

As far as the removal of Seemai Karuvelam Trees in rural areas, Status Report has been filed by the Commissioner of Rural Development and Panchayat Raj Department, indicates that only 2709.30 Hectares have been removed in rural areas with the help of MGNREGA, CSR and Philanthropist contribution etc., In such a view of the matter we direct the District Collectors of each District to issue necessary instructions to all the Panchayats to remove the Seemai Karuvelam Trees in all the panchayats. Besides instruction also to be issued to the private land owners to remove the Seemai Karuvelam Trees in their patta lands at their own. The Forest Department is also directed to issue necessary permission to the private land owners to remove all the Seemai Karuvelam Trees in their private lands. Further, every District Collector has to file a Report before this Court as to the progress of the work relating to the removal of Seemai Karuvelam Trees. The Collectors can also give necessary instructions to all the Panchayats to go for a public auction for removal of the Seemai Karuvelam trees. So that private parties can participate in the auction for removal of Seemai Karuvelam Trees. Necessary instructions also to be given to all the Panchayats to replant the native plants after removal of Seemai Karuvelam Trees. All the District Collectors shall file a month wise report before this Court in this regard without fail.

2. Post the matter on 02.11.2022.”

WEB COPY

3. Aside from the utilization of the MNGREGA scheme, which is currently pending before the Hon'ble Supreme Court of India, there was no impediment whatsoever to implementing the directions of this Court. Regarding the Forest Department, removal is occurring, albeit at a slower pace, which is understandable due to the challenging terrain; this is being monitored separately by this Bench. However, apart from the forest areas, concerning the plains, water bodies, government poramboke lands, and private lands, the task can be completed quickly by arranging separate auctions through the relevant Blocks, Panchayats, Districts, etc.

4. As a matter of fact, Advocate Commissioners were initially appointed to oversee the removal of invasive species in every district. The aforementioned order clearly indicates that the concerned District Collectors were instructed to mandate the removal of *Prosopis Juliflora* at each panchayat level. We have also directed private landowners to remove the *Prosopis Juliflora*. We have explicitly stated that each panchayat should conduct a public auction at the panchayat level,

and even the Block Development Officers can issue advertisements.

WEB COPY

5. It can be seen that initially, in the year 2017, when orders were passed in the Madurai Bench of this Court appointing Advocate Commissioners, it was recorded at that time that about 40 % of the *Prosopis Juliflora* had been removed. Now everything has regrown, and things have come to a standstill. Firstly, it can be observed that all the respondents in the Writ Petitions are repeatedly stating that they will comply with the earlier orders of this Court, but they have not taken any steps whatsoever to comply with those orders. There are also specialized equipment available, apart from JCBs, to uproot the *Prosopis Juliflora* and, in no time, using mechanical equipment, the trees can be removed from Government poramboke lands, water bodies, and other private lands. The entire task can be accomplished within a period of 3 to 4 months if there is the will to do so.

6. However, to date, none of the court orders have been complied with in spirit. Periodic status reports indicate that only 3 hectares or 5 hectares of land

have been cleared of *Prosopis Juliflora*. We are distressed to note that the government is spending money to remove *Prosopis Juliflora*, when it could instead earn revenue by auctioning the trees. The sale proceeds could then be utilized for ongoing maintenance to prevent further regeneration. Accordingly, all concerned District Collectors and BDOs must take prompt action to auction the trees. If necessary, contractors can be instructed to use specialized equipment to uproot the trees along with their roots. The removed wood can be weighed per ton, allowing the government to earn revenue from them.

7. If no positive action is forthcoming, the only option to the Court will be to initiate a suo motu contempt proceeding for non-compliance with the orders of this Court in the manner known to law, by summoning every authority that has not complied with the orders. At the same time, the Court should issue advertisements for removal of trees throughout tamilnadu by appointing Advocate Commissioners, and constituting task forces to carry out the mandate of the Orders.

WP(MD).No.16485 of 2017

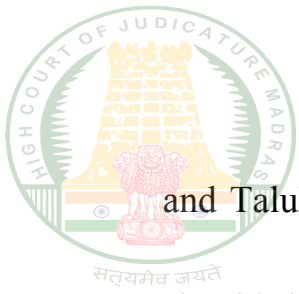

WP.No.3075 of 2017 and WP.(MD).No.14699 of 2017

8. *Dr T. Seenivasan*, the learned Special Government Pleader, prays that one more opportunity be granted, since a meeting is to be convened on 07.04.2025.

9. Therefore, the government shall come up with a plan for simultaneous advertisements and declaring at least two villages in every firka every month as *Prosopis Juliflora* free. The removal has to be like combing operation declaring specific areas free of the invasive. The excess wood on account of removal can be stored and supplied to the users by the Government and if the entire trees are removed a large quantity will be available as to overcome the needs for few years by which time the native species can be grown on these lands. If the Government does not take steps as above, the Court will proceed with the other option specified in this order.

10. We grant the Government another opportunity to implement concrete actions, declaring a significant portion each month in every Block, Firka,

and Taluk as free of *Prosopis Juliflora*. As a result, in due course every District should be declared free from *Prosopis Juliflora*. We disapprove of the government spending and reporting the number of hectares removed etc. It should be done by auctioning and particular areas have to be maintained without regeneration and by planting native saplings. . Any decision made in the meeting scheduled for 07.04.2025 should only towards declaring particular village, firka, taluk and district free of *Prosopis Juliflora*, including both public and private lands and any target must focus on declaring specific Taluks, Districts, and Firkas free of *Prosopis Juliflora*, rather than merely on the extent of land.

11. With reference to private lands, this Court has already given directions for the removal of *Prosopis Juliflora* to the individual private owners; therefore, these private landowners have no objection whatsoever and must immediately remove the *Prosopis Juliflora*.

12. Regarding further action, firstly, public notices have to be made by

WEB COPY

every panchayat or local body urging the land owners to comply forthwith with the

Order of the Court, and simultaneously, the Government can also issue a

notification under Section 5 of the Environment Protection Act to remove

*Prosopis Juliflora* from their respective lands. We hope and trust that by the next

date of the hearing, concrete steps taken by the Government will be presented

before this Court; failing which, this Court will proceed with the other option.

13. Call these matters on 25.04.2025.

(N.S.K., J.,)

(D.B.C., J.,)

25.03.2025

Jer

Note:Registry is directed to communicate the copy of this order to all the District Collectors with a direction to the District Collectors to communicate the same to the Tahsildars and the BDO's in their respective jurisdiction and for the remaining official respondents, let a copy be sent separately.
