ORDER**(Order of the Court was delivered by G.R.SWAMINATHAN, J.)**

Heard both sides.

2. The question that calls for consideration is whether the fifth respondent while renovating the petition mentioned temple had

expanded its dimensions and encroached upon the public utility spaces.

3. Since factual aspects are involved, this Court appointed an Advocate Commissioner. The Advocate Commissioner has since submitted report. It is seen therefrom that the temple which was constructed way back in the year 1962 was recently renovated in the year 2015-16 and while doing so, marginal expansion appears to have taken place. The construction shown as an encroachment in the Commissioner's report shall be removed by the Corporation officials. This shall be done as expeditiously as possible. This writ petition stands allowed on these terms. No costs. Consequently, connected miscellaneous petition is closed.
