ORDER

This Civil Revision Petition has been filed challenging the order passed in Trust OP.No.248 of 2017 on the file of the Principal District Court, Tirunelveli, dated 30.08.2022.

2.From the perusal of records, it is seen that when the matter was listed on 08.02.2023, 02.09.2025 and 20.04.2026, there was no representation on the side of the petitioner. Hence, the case was directed to be listed today under the caption 'for dismissal'. However, when the case was taken up for hearing today, the learned counsel for the petitioner prays for adjournment.

3.This Court finds that sufficient opportunities had already been afforded to the petitioner to present his case. However, even after repeated adjournments, the petitioner failed to argue the matter. Hence, this Court is of the view that the petitioner is not interested in prosecuting the Revision and the Civil Revision Petition is liable to be

dismissed on the ground that the petitioner, despite having been granted several adjournments, was not inclined to advance arguments.

4. Therefore, the Civil Revision Petition is dismissed for default.
