**ORDER**

**WEB COPY** This Civil Revision Petition challenges the dismissal of an application filed under Section 5 of the Limitation Act, 1963. Under Order XXI Rule 106, there is no provision to file an application to condone the delay. The learned Judge had taken the effort to dismiss the application. When the application is not tenable, a revision preferred therefrom is equally untenable.

2.The Civil Revision Petition stands dismissed as not maintainable. No costs.
