S.No.493/1, admeasuring an extent of 003.5 ares in Patta No.185 situated at Sengamangalam Village, Peravurani Taluk, Thanjavur District as a pathway. The respondent authorities, without considering the same, granted patta in favour of the ancestors of the 4th respondent, and the 4th respondent is now interfering with the petitioner's right of pathway and is further preventing the petitioner from using the said pathway. Aggrieved by the same, the petitioner is before this Court.

4. Heard the learned counsel on either side and perused the material records of the case.

5. It is the case of the petitioner that Survey No. 493/1 is a patta land standing in the name of the 4th respondent and his ancestors. If that be so, even assuming that the petitioner has no alternative pathway, it is open to the petitioner to approach the competent Civil Court and claim an easement of necessity against the 4th respondent. The respondents 1 to 3 cannot interfere with or enter upon the private property of the 4th respondent to create a pathway.
