Even the matter was referred to the mediation centre earlier, as per the report submitted by the mediation centre, because of the non appearance of the respondent, the matter is referred back to the Court.

2. It appears that it is an issue between the mother and the son. One of the respondents namely the sixth respondent is also a practicing advocate who is also present before this Court, would submit that the matter will be compromised. That statement was also agreed by the revision petitioner.

3. Therefore, once again the matter is referred to the Mediation and Conciliation Centre, attached to this Bench. The parties are directed to appear before the Mediation Centre without fail on 20.12.2024. The Centre is directed to appoint one Mr.Samidurai, learned counsel, as a Mediator in this matter. The centre is directed to issue notice to the parties to appear for mediation on that date.

4. Post the matter on 20.01.2025, after receiving the mediation report.
